

SPONSOR THE CSE GRADUATE RESEARCH CONFERENCE

Past Conference Highlights

- Annual event sponsored by the Computer Science and Engineering Department.
- Showcases state-of-the-art research on emerging topics in computer science and interdisciplinary areas including, but not limited to:
 - Artificial Intelligence and Knowledge Representation
 - Wireless Computer Networks, Sensor Networks and Distributed Systems
 - Computer Security
 - Computer Vision and Image Processing
 - Multimedia, Databases, Data Mining and Information Retrieval
 - Pattern Recognition, Biometrics and Machine Learning
 - Programming Languages and Software Systems
 - Theory of Computation and Algorithms
 - VLSI and Computer Architecture
 - Geographical Information systems
 - Graphics and Visualization
 - Computational Linguistics
 - Library and Information Sciences
 - Bioinformatics
- An excellent platform for graduate students to interact with each other, as well as faculty and industry partners.
- Participation by the various departments including: Electrical Engineering, Chemical Engineering, Mechanical Engineering, Biomedical Sciences, Linguistics, and other special interest groups at The State University of New York at Buffalo.
- Speakers and Panelists from respected industry partners including: Goldman Sachs, Harris Corp., ASG, and others.
- Attended by more than 200 faculty and graduate students majoring in the various branches of engineering and applied science.

21st Annual CSE Graduate Research Conference

The Computer Science and Engineering Graduate Student Association (CSEGSA) is currently soliciting sponsorship opportunities for the upcoming Graduate Research Conference to be held in March 2008. The CSEGSA is affiliated with the Computer Science and Engineering Department and the Graduate Student Association at the State University of New York at Buffalo.

Sponsorship Benefits

- Company name and logo will appear on all communications of the conference including call for papers and conference proceedings.
- A company representative will be invited to attend the conference and participate as a panelist or distinguished speaker.
- Interaction with the graduate students from the Computer Science and Engineering department and other participating departments.
- Arrangement for special hiring information session on request.

Sponsorship Details

The CSEGSA welcomes sponsorship by companies in various forms:

- General monetary contributions
- Contributions to offset costs of services and activities during the conference
 - Printing
 - Conference room rental
 - Breakfast and lunch
 - Awards given to students for best poster or presentation

Interested parties can contact the following for further details:

Murtuza Jadliwala
PhD Candidate, CSE
University at Buffalo
201 Bell Hall, Buffalo, NY 14260
Tel: (716) 983-8515
