

# Discussion 2

Kenneth (Kenny) Joseph

Pass phrase: **Karen Levy**

<https://autograder.cse.buffalo.edu/>

# Kenny's summary

---

- What is(n't) “social structure”?
- Structure vs/and
  - Power
  - Agency
  - Beliefs

# Round 1 – Science?

---

- What is the role of science in tackling big societal problems?

# Round 2 – Why?

---

- Why White supremacy?
  - Is white supremacy for stupid people? Mentally ill people?
- Why racism?
  - Would racism have existed without de Zurara?
  - Could we have had slavery without racism?
  - A lot of people asked why race exists. Why does it?
  - It's been a long time. Why do we still have racism?

# Round 3 – Does all discrimination look the same?

---

- Is a caste system a racial system? Why or why not?
- What can we discriminate on? What should we?

# All prompts considered

---

- What can we discriminate on? What should we?
- Is white supremacy for stupid people? Mentally ill people?
- Would racism have existed without de Zurara?
- Did Greeks not differentiate on looks?
- A lot of people asked why race exists. Why does it?
- It's been a long time. Why do we still have racism?
- Were Thind's actions justifiable?
- What do we think about "cancel culture"?
- Science is used in whatever way is convenient
- Could we have had slavery without racism?
- Is a caste system a racial system?
